About Me:

Üsküdar Üniversitesi'nden 9 Haziran 2023 tarihinde mezun oldum ve halen aynı üniversitede Bilgisayar Mühendisliği yüksek lisans programına devam etmekteyim. Lisans eğitimim boyunca ilgi duyduğum veri bilimi ve bilgisayar bilimleri alanlarında teorik ve uygulamalı çalışmalar yaparak bilgi birikimimi derinleştirdim. Gelişen teknoloji ve güncel trendleri yakından takip ederek, sorunlara analitik ve çözüm odaklı bir yaklaşımla yaklaşmaktayım.

I graduated from Üsküdar University on June 9, 2023, and I am currently pursuing a master's degree in Computer Engineering at the same university. During my undergraduate studies, I developed a strong interest in data science and computer science. I worked on both theoretical and practical aspects of these fields to improve my knowledge. I closely follow new technologies and current trends, and I approach problems with an analytical and solution-oriented mindset.

Education:

Uskudar University – Forensic Science

📍 ISTANBUL | 2019-2023

Final Grade: 3.17

Uskudar University – M.Sc. in Computer Engineering

📍 ISTANBUL | 📅 2025-Currently Studying

Internships:

Cyber Security Intern

Ölçsan Teknoloji AŞ

Website: <https://tr.olcsanacad.com/>

During my internship, I improved my theoretical knowledge of cybersecurity, focusing on security protocols, types of attacks, and defense mechanisms.

📍 ISTANBUL | 2022

Data Science Intern

OptiWisdom

I explored various articles in the field of data science and gained practical understanding of academic research processes and scientific writing stages.

 ISTANBUL | 2023-2024

Computer skills:

R, Python, Java, Web Funds, Linux Funds

Languages:

English B2
